# Divider panel for TS - 8609080

| Product Description                  |   |
|--------------------------------------|---|
| Description                          | To shield individual enclosure cells. All-round double edging for stability and to accommodate the seal. The symmetry of the enclosure frame means divider panels of the appropriate dimensions can also be fitted at the rear. |
| Applications                         | Notches in the corners and half-way up the sides permit the use of angular baying brackets and baying brackets even with a divider panel fitted.  |
| Material                             | Carbon Steel  |
| Surface finish                       | Zinc-plated   |
| Protection category IP to IEC 60 529 | IP 54   |
| Supply includes                      | Assembly components   |
| Enclosure type                       | TS 8  |
| Suitable for                         | Height: 2000 mm (79 ")<br>with depth: 800 mm (31 ")   |
| Installation options                 | Mounted on the outer mounting level<br>The inner level remains free for further expansion   |
| Packaging unit                       | 1 pc(s).  |
| Weight/packaging unit                | 19.2 kg (42.3 lb.)  |
| EAN                                  | 4028177208766   |
