

Large / Extra Large Type 1 Wallmount Enclosures

Carbon Steel Commercial Boxes

These large wallmount enclosures can be used for many different applications. They are designed for indoor use to prevent accidental contact with enclosed equipment in areas where standard service conditions prevail.

Configuration

- Removable doors, attached with butt-hinges
- Flush, non-locking latch
- Single point key locking handle; continuous hinge with removable pin — extra large versions only
- Mounting holes in back of enclosure

Technical Specifications

Material

- Enclosure/door: 14 gauge carbon steel

Finish/color:

- Enclosure/door: polyester-urethane powder coat over phosphatized surfaces, inside and outside — ANSI 61 grey
- Optional mounting panel: painted white
